Kelly and the team are amazing, so friendly and helpful! I gave them a colour scheme and left them to sort flowers and venue decor. The attention to detail was insane, the venue and flowers looked gorgeous!! They couldn't have done a better job!!

5 star service from start to finish. All the girls are amazing! They did the decor & flowers for my wedding. I remember feeling so overwhelmed about everything. They were so lovely & have so much knowledge to pass on & help you make the right decisions for your wedding.

HERE'S WHAT YOU NEED TO KNOW

Do you offer a consultation before booking?

Yes – we offer a no-obligation initial consultation, which can be booked easily using our QR code. This is your chance to tell us all about your dream day, ask questions, and get a feel for how we work. After this, we'll hold your date for 7 days while you decide.

Do you stay at the venue to reset between the ceremony and reception?

Yes! We can remain on-site and reset your venue décor from the ceremony to the wedding breakfast set-up for a £100 turnaround fee – taking all the stress away so you can enjoy the day.

When do you need final numbers and table plans?

Your final table plan is due 4 weeks before your big day, and unfortunately, we can't accommodate changes after that. This ensures everything is printed, prepared, and perfect.

How do I secure my date?

A £50 booking fee secures your date with us, which will then be deducted from your final balance. The full balance is due 8 weeks before your wedding. Please note: once your final balance is paid, no further changes can be made

How many planning appointments will I have?

You'll have three planning appointments with us:

- 1st – Chat through styles, themes, and prices. Bring along any inspo pics you love.
- 2nd – Dive into more details and explore new ideas (changes can still be made here).
- 3rd (8 weeks before) – Finalise everything: guest numbers, table plan, and final balance.
